MOVA es una sofisticada propuesta arquitectónica creada en colaboración con B&B Italia. Estará caracterizado por un entorno moderno, uno donde la arquitectura se comunica con el paisajismo y el diseño interior de manera fluida. MOVA es una sinfonía tan coherente, que hace la vida fácil. ¿Cuál es su secreto? El diseño y la arquitectura son tan primarios al proyecto, que todo lo demás surge de manera natural. MOVA propone un diseño progresivo que ofrece una relevancia continua.
